CALYPSO 24

Create your perfect day aboard the Calypso 24. Starting with our exclusive and innovative hull design - the reverse transom and signature flared bow provide a legendary ride. The windshield is solid stainless steel and beautifully contoured.

The wide U-shaped bow offers comfortable seats with folding arm rests and an optional teak table that's perfect for dining and socializing.

Seated comfortably at the helm puts the Garmin multifunction display panel at your fingertips. The captain's chair puts you in control behind a beautiful three-spoke stainless-steel steering wheel and a dash adorned with ebony walnut accents. An easy to grip throttle provides confidence and control in hand. The unique wave-pattern stitching on the helm chairs are complemented by a thick stainless-steel bar, and a thigh bolster brings added height and visibility.

Aft seating runs along the transom with additional flip-out seating. The adjustable port lounge can lay flat or convert to aft or forward-facing seating. Entertain with the cockpit galley equipped with a cold water sink and slide out Yeti cooler with SofTeak pad.

The Calypso 24 combines beautiful styling with comfort features to make for a great day on the water.

LENGTH 26'10" / 8.2 m
BEAM 8'6" / 2.6 m

DRY WEIGHT 6,090 lbs / 2,762 kg
FUEL CAPACITY 117 gal / 442 ltr

MAX HP 400 HP
MAX PERSONS 11

THE CHOICE IS YOURS.

Customization is endless aboard the Calypso 24.

Add to the iconic beauty of a Chris-Craft with the Heritage Edition, which includes a full teak floor, teak covering boards, and teak accents throughout.

Choose between a Bimini or Hard Top equipped with speakers and overhead LED lighting.

Popular features on the Calypso 24 include the bow thruster, teak cockpit table, custom painted outboard engine, Mediterranean storable sun shade and the remote controlled windlass with a stainless-steel anchor. With unlimited possibilities, the Calypso 24 is tailor-made to perfection.
