CALYPSO 35

The Calypso 35 is loaded with luxurious innovations and detailed craftsmanship to make for a great day on the water.

An expansive bow area with quilted side pockets has abundant storage, including dedicated fender rack and line hangers. A power actuated table rises out of the floor at the push of a button, creating an easy dining area.

The fully enclosed windshield with a power actuated center walk-through and sliding wind door provides exceptional weather protection. With the push of a button, the windshield opens and encloses into the hard top, creating unobstructed views through both driver and passenger sides. An internally mounted SureShade covers the entire aft cockpit.

The helm is adorned with high-gloss teak accents and flush mounted dual 12" Garmin multifunction displays. Joystick piloting comes standard on the Calypso 35. Additional air conditioning vents at the helm to provide the ultimate comfort.

The aft cockpit has ample seating with a multi-position rear facing lounge and foldout aft seating. The cockpit galley is both stylish and convenient, with a concealed refrigerator, drawer storage, sink with hot and cold water, and an optional grill.

A head with shower is conveniently located port side head. A starboard cabin with berth, two storage lockers, and TV make for a relaxing weekend getaway.

The innovative Calypso 35 is designed for a comfortable full day on the water.

LENGTH 37' / 11.3 m
BEAM 11' / 3.4 m

DRY WEIGHT 14,770 lbs / 6,700 kg
FUEL CAPACITY 300 gal / 1,135 ltr

MAX HP 900 HP
MAX PERSONS 15

THE CHOICE IS YOURS.

Customization is endless aboard the Calypso 35.

Add to the iconic beauty of a Chris-Craft with the Heritage Edition, which includes a full teak floor, teak covering boards, and teak accents throughout.

Choose between custom vinyl colors and accent colors made from the finest marine vinyl to make it uniquely yours. The interior is embellished with your choice of walnut, silver oak or white-washed oak trim.

An optional bow thruster, make this sea worthy yacht easy to maneuver. The optional Seakeeper Gyro Stabilizer ensures a smooth ride.

Popular options on the Calypso 35 include air conditioning with vents at the helm, custom painted outboard engines, and upgraded Garmin electronics. With unlimited possibilities, the Calypso 35 is tailor-made to perfection.
