28 GT

Chris-Craft®

LAUNCH 28 GT

Designed as a versatile and luxurious bowrider, the Launch 28 GT is watersports friendly, fast, responsive and stunningly beautiful. Starting with our exclusive and innovative hull design - the reverse transom and signature flared bow provide a legendary ride. The windshield is solid stainless steel and beautifully contoured.

Chris-Craft offers sterndrive engines from both Mercury and Volvo. Seakeeper Ride is standard aboard the Launch 28 GT.

The starboard side boarding door offers easy entry straight from the dock or use the ladder to reboard from the water. Once aboard, enjoy all the amenities that make for a great day on the water. The spacious sunpad can either lay flat or can convert to an aft or stern-facing lounge. The head compartment on the 28 GT has full-seated headroom.

Seated comfortably at the helm puts the Garmin multi-function display panel at your fingertips. A wide captain's chair puts you in control behind gleaming gauges and a rich, Brazilian mahogany steering wheel and dash. The luxurious wave-pattern stitching on the helm chairs are complemented by a thick stainless steel bar. And a thigh bolster brings added height and visibility. The Launch 28 GT is simply the most luxurious bowrider available anywhere in the world.

LENGTH 28'9" / 8.8 m
BEAM 8'5" / 2.6 m

DRY WEIGHT 7,800 lbs / 3,538 kg
FUEL CAPACITY 85 gal / 321.7 ltr

THE CHOICE IS YOURS.

Customization is endless aboard the Launch 28 GT.

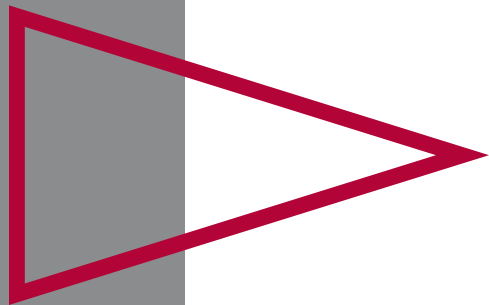

Choose between a Bimini Top, GT Power Folding Top or GT Hard Top. Add to the iconic beauty of a Chris-Craft with the Heritage Edition, which includes a full teak floor, teak covering boards, and teak accents throughout.

Popular options on the Launch 28 GT include the wake surf technology package, Mediterranean Forward Sun Shade, cockpit galley with sink and refrigerator, beach boarding ladder, bow thruster and the remote controlled windlass with a stainless-steel anchor. With unlimited possibilities, the Launch 28 GT is tailor-made to perfection.
