31 GT

Chris-Craft®

LAUNCH 31 GT

The Launch 31 GT brings a remarkably unique style to the runabout category. Starting with our exclusive and innovative hull design - the reverse transom and signature flared bow provide a legendary ride. The windshield is solid stainless steel and beautifully contoured.

Chris-Craft offers sterndrive engines from both Mercury and Volvo. Trim tabs and Joystick Piloting come standard on the 31 GT.

The starboard side boarding door offers easy entry straight from the dock or use the ladder to re-board from the water. Once aboard, enjoy the starboard entertainment center with sink, refrigerator, and optional grill. The head compartment on the 31 GT is spacious, well-appointed, and with an optional air conditioner.

Seated comfortably at the helm puts the 12" Garmin multi-function display screen at your fingertips. From here you can control the Lumishore LUX LED lights in six zones, programmable to music and any color, bringing a new dimension to an already beautiful design. The helm also features a solid Brazilian mahogany dash and steering wheel.

Conveniently located off the swim platform, the transom is equipped with a cold water pull-out shower head. The convertible sunpad can adjust to a full-length aft facing lounge, or a combined aft and forward facing seat. The Launch 31 GT is the perfect combination of comfort, style, space, luxury and performance.

LENGTH 31' / 9.44 m
BEAM 10' / 3.05 m

DRY WEIGHT 11,300 lbs / 5,126 kg
FUEL CAPACITY 142 gal / 537 ltr

THE CHOICE IS YOURS.

Customization is endless aboard the Launch 31 GT.

Choose between a Bimini Top or GT Hard Top on the Launch 31 GT. Add to the iconic beauty of a Chris-Craft with the Heritage Edition, which includes a full teak floor, teak covering boards, and teak accents throughout.

Popular options on the Launch 31 GT include the air-conditioned helm, painted Hard Top with SureShade, mediterranean storable bow sun shade, cockpit galley grill, beach boarding ladder, bow thruster and the remote controlled windlass with a stainless-steel anchor. With unlimited possibilities, the Launch 31 GT is tailor-made to perfection.
