35 GT

Chris-Craft®

LAUNCH 35 GT

The Launch 35 GT boasts cutting-edge features while maintaining the classic design and styling that makes it uniquely Chris-Craft. Starting with our exclusive and innovative hull design - the reverse transom and signature flared bow provide a legendary ride. The windshield frame is solid stainless-steel and features beautifully contoured glass.

Chris-Craft offers Mercury outboard engine options. The standard configuration is twin Mercury 350HP V-10 engines with the option to upgrade to twin 400HP V-10 engines. Joystick Piloting and Electric Steering come standard on the Outboard Edition of the Launch 35 GT.

The starboard side boarding door offers easy entry from the dock, or use the in-floor ladder to board from the water. Once onboard, enjoy ample entertainment space with a standard galley sink with hot / cold water, a large refrigerator and a teak cockpit table. Upgrade the galley to include a grill for even more entertainment value.

Seated comfortably at the helm puts the dual 12" Garmin multi-function display panel at your fingertips. The helm features a high-gloss varnished wood dash and vinyl wrapped steering wheel that are uniquely Chris-Craft.

Below the starboard console is a spacious cabin, turning the Launch 35 GT into a comfortable overnighter. The port side head compartment is spacious and well-appointed.

Conveniently located off the swim platform, the transom is equipped with a hot / cold water pull-out shower head. The convertible sunpad can adjust to a full-length aft facing lounge, or a combined aft and forward facing seat.

The Launch 35 GT is perfect for any on-water adventure, whether you are enjoying it with family, friends, or on a romantic weekend get-away.

LENGTH 34'9" / 10.59m
BEAM 10'10" / 3.3 m

DRY WEIGHT 13,400 lbs / 6,078 kg
FUEL CAPACITY 185 gal / 700.3 ltr

MAX PERSONS Yacht Certified

THE CHOICE IS YOURS.

Custom build your dream.

Choose between a Bimini Top or a painted Hard Top on the Launch 35 GT. The cabin and head compartments are embellished with your choice of walnut, silver oak or white-washed oak trim.

Add to the iconic beauty of a Chris-Craft with the Heritage Edition, which includes a full teak floor, teak covering boards, and teak accents throughout.

Popular features on the Launch 35 GT include the air conditioned berth, head and helm, underwater lights, cockpit galley grill, and a beach boarding ladder. With endless possibilities, the Launch 35 GT is tailor-made to suit all of your boating needs and preferences.
