## DISCOVER MORE WITH EVERY MILE.

The Solis Pocket®, Winnebago's most affordable camper van, lets you immerse yourself in the great outdoors with all the comfort essentials. Built on the Ram ProMaster® chassis, its compact design allows you to navigate both narrow trails and urban areas with ease. The two floorplan options sleep up to four and seamlessly adapt to lounging, working or entertaining friends or family.

*Note: Dotted lines denote overhead storage areas. Blue dashed lines denote sleeping areas. Magenta dashed lines denote access to optional pop-top sleeping. Floorplans are representations only and are subject to change. Please contact a certified Winnebago dealer for more information.*

## The Winnebago Difference

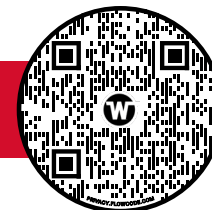

Built for life without limits.

Every Winnebago is built to provide years of reliable service, thanks to advanced manufacturing techniques and quality control systems perfected over six decades and hundreds of thousands of RVs.

**Owner Resources:** Available plumbing and wiring diagram structure, paint and sealant guides, parts look-up; Winnebago Owner's App; Dedicated Video Library (Winnebago website or YouTube).  
[winnebago.com/owners/owner-resources](http://winnebago.com/owners/owner-resources)

**Facebook Groups:** Independent Facebook groups for Winnebago owners and enthusiasts provide a space to share experiences, ask questions, and plan events. These conversations help inspire future innovations, keep our community connected and celebrate life on the road.
